American Meetings Participating in World's Largest Health Congress

Fort Lauderdale, FL, February 7, 2007: American Meetings, a leader in the event marketing and meeting management industry, announces its participation in the World Health Congress, April 22-24th, 2007 in Washington, DC. The World Health Congress, co-sponsored by **The Wall Street Journal**, is the most prestigious meeting of chief and senior executives from all sectors of health care. The conference will convene over 2,000 CEOs, senior executives and government officials from the nation's largest employers, hospitals, health systems, health plans, pharmaceutical and biotech companies, and leading government agencies. Preliminary program information will be available in May 2007.

"American Meetings is committed to staying up to date on all aspects of the Pharmaceutical, Biotechnology and Healthcare industries, so we may service our clientele. We are thrilled to be invited to participate and look forward to the interaction and education the World Health Congress provides," commented Andy McNeill, Chief Executive Officer of American Meetings.

American Meetings, Inc. produces meeting and events around the globe, and has a strong focus in the Pharmaceutical, Biotechnology and Healthcare industries. The company works with small firms to Fortune 500 companies around the globe strategically planning their event and meeting strategy. The AMI team of professionals has over 50 years of combined meeting experience with a reputation of impeccable client service. The firm is located in Fort Lauderdale, Florida.
